

## DROPS OF JUPITER - TRAIN

**C**

Now that she's back in the atmosphere

**G**

**F**

With drops of Jupiter in her hair, hey hey--ey

**C**

She acts like summer and walks like rain

**G**

**F**

Reminds me that there's time to change, hey hey--ey

**C**

Since the return from her stay on the moon

**G**

**F**

She listens like spring and she talks like June, hey hey--ey

**G**

**D**

Tell me, did you sail across the sun

**F**

Did you make it to the Milky Way to see the lights all faded

**C**

And that heaven is overrated...

**G**

**D**

Tell me, did you fall for a shooting star

**Dm**

One without a permanent scar

**F**

And did you miss me while you were looking for yourself out there

### Break-Play - C G F

**C**

Now that she's back from that soul vacation

**G**

**F**

Tracing her way through the constellation, hey hey--ey ey

**C**

She checks out Mozart while she does Tae-Bo

**G**

**F**

Reminds me that there's time to grow, hey hey--ey ey

**C**

Now that she's back in the atmosphere

**G**

**F ->...**

I'm afraid that she might think of me here as plain ol' Jane

told a story about a man who is too afraid to fly so he never did land

**G**

**D**

Tell me, did the wind sweep you off your feet

**F**

Did you finally get a chance to dance along the light of day

**C**

And head back to the Milky Way

**G**

**D**

And tell me, did Venus blow your mind

**Dm**

Was it everything you wanted to find

**F**

And did you miss me while you were looking for yourself out there?

**SOLO 2 + 2 (C + G + F)**

**C**

Can you imagine no love, pride, deep fried chicken

**G**

**F**

Your best friend always stickin' up for you

Even when I know you're wrong

**C**

Can you imagine no first dance, freeze-dried romance

**G**

Five hour phone conversations

**Bb**

**F**

The best soy latte that you ever had, and me

**G**

**D**

Tell me, did the wind sweep you off your feet

**F**

Did you finally get a chance to dance along the light of day

**C**

And head back toward the Milky Way

**G**

**D**

Tell me, did you sail across the sun

**F**

Did you make it to the Milky Way

To see the lights all faded

**C**

And that heaven is overrated

**G**

**D**

Tell me, did you fall for a shooting star

**Dm**

One without a permanent scar

**F**

And did you miss me while you were looking for yourself out there

Nah nah na na na nah...

**C + G + F**

**C + G + F**

**C + G + Bb + F (1x)**
