G(5)
 If roses are meant to be red
 D/F#
 And violets to be blue
 Cadd9
 Why isn't my heart
 D/F#
 Meant for you

My hands are longing to touch you
 I can better breathe
 Story eyes that make me melt
 You right in front of me

G(5)
 Lost in this world
 D/F#

I even get lost in this song
C

And when the lights go down
D/F#

That is where I'll be found

If music is irresistible
Your voice makes my skin crawl
Innocent and pure
Guess you heard it all before

Mystery inaccessible
Will this ever change
One thing that remains the same
You're still a picture in a frame

G(5)
Lost in this world
D/F#
I even get lost in this song
C

And when the lights go down
D/F#
That is where I'll be found

G(5)
Lost in this world
D/F#
I even get lost in your eyes
C

And when the lights go down
D/F#
That is where I'll be found

| C D/F# | C D/F# |

Lost in this world
I get lost in your eyes
And when the lights go down
And we're the only ones
