Am, G, C } 2x

Am G C
Can't keep wearing my heart on my sleeve

F C G
Can't keep saying just what I feel

Am G C F
Why the words on my tongue run free keep trippin' me

Am G C
Can't keep wearing my heart on my sleeve

Am G C
I can't keep wearing the truth in my eyes

F C G
Oh it's not that I want them to lie

Am G C F
I've been told it's the best of advice in this life

Am G C
Can't keep wearing the truth in my eyes

Am G
But suddenly the words drop out

F
I'm naked as can be

Am G C
Try to stop them but I don't know how how how

Am G
It's written all over my face

F
And everyone can see

Am G C
I guess you finally know I love you now

Am G
Love you now

F
Love you now

Am G C
I guess you finally know I love you now

Am G C
I keep hearing I'm an open book

F C G
Where the ending is known with one look

A heart in love doesn't ever do what it should
