

Songtekst van Di-Rect - One More Kiss

Hold up
Hold up

Little Miss Sunshine
Baby, you're my queen
Singing oolala, hey
Will you do it for me
Gotta stand up, take a bow, honey
Do it now
Make your mama proud
You're my sexy childm, hey

Hold up
You should hold up
Mama, she has
Grown up too soon
Hold up
You should hold up
Mama, she has
Grown up too soon, yeah

Dress up, look alive, baby doll
Do your job
This ain't a nine-to-five
Honey, you are mine
Let me look at those pretty legs
On your knees
Singing oolala
Cause you work for me, ooh yeah

Hold up
You should hold up
Mama, she has
Grown up too soon
Hold up
You should hold up
Mama, she has
Grown up too soon, yeah

You never looked down, but today
You can't sing oolala
We lost our little girl for good
Got nothing to say
Wearing make-up, but your eyes closed
We cry for you
And what we made you do
If we only knew, ooh yeah

Hold up
Sing it for me now
Sing it for me now (Hold up)
Hold your hands up
Come on baby, boogie down for me, yeah (Hold up)
If this ain't love
She don't wanna wake up for you, mother (Hold up)
Yeah, I'll be holding on now
I will hold 'em up for you

Hold up
One more kiss
Before she goes, she says (Hold up)
It's only love
It's only love (Hold up)
All that dust
May turn into gold (Hold up)
It's only love
It's only love, hey (Hold up)

One more kiss
Before she goes, she says (Hold up)
It's only love
It's only love (Hold up)
All that dust
May turn into gold (Hold up)
It's only love
It's only love, honey (Hold up)

Only love
Only love
Only love, baby (Hold up)

Only love
It's only love
It's only love, baby (Hold up)
