

Smoke On The Water - Deep Purple

F# A B F# A C#-B F# A B A F# 6x *

A G A
We all came out to Montreux
G A
On the Lake Geneva shoreline
G A
To make records with a mobile
G A
We didn't have much time

A G A
Frank Zappa and the Mothers
G A
Were at the best place around
G A
But some stupid with a flare gun
G A
Burned the place to the ground

D A# A
Smoke on the water, and fire in the sky
D A# F# A B F# A C#-B F# A B A F# 2x
Smoke on the water

A G A
They burned down the gambling house
G A
It died with an awful sound
G A
A funky Claude was running in and out
G A
Pulling kids outa the ground
G A
When it all was over
G A
We had to find another place
G A
But Swiss time was running out
G A
It seemed that we would lose the race

A G A

We ended up at the Grand Hotel

G A

It was empty cold and bare

G A

But with the Rolling truck Stones thing just outside

G A

Making our music there

G A G A

With a few red lights, a few old beds

G A

We made a place to sweat

G A

No matter what we get out of this

G A

I know, I know we'll never forget
